Adrian is a qualified counsellor and psychotherapist and adult educator and has many years of experience in personal and professional development. He brings a depth and wisdom to his work that dives right into the core of being able to deliver from a place of authenticity. Adrian encourages and guides people through their limitations, blockages and thresholds with a deep sense of passion and understanding and likes to work beyond the ordinary, beyond the limits and without the security of a safety net.

You are invited to explore, discover and transform your own unique skills to enable you to reach your own level of *Conscious Group Facilitation Mastery!*

*"I do not claim to be wiser than you. I do claim to know that what I teach is my truth.  
If you want to reach your truth, I am willing to walk beside you whilst you explore".*
